

Nights Away Notification

For all Nights Away experiences all of the information below should be with your District Commissioner (or appointee) SEVEN days before the event (in normal circumstances). How the information is passed on will depend on local arrangements (this may be for example by telephone call, e-mail or fax).

For all Nights Away held at facilities not owned or operated by Scouting, such as public or commercial campsites and youth hostels, the host District Commissioner¹ must also receive a copy of the information, normally this should be FOURTEEN days before the event.
